NURSE'S NOTE

The following are some general suggestions for you and your child to consider for the Monster Dash Jog-A-Thon. Hydrate well starting the day before the event; drink 1 – 2 glasses of fluids the morning of the Jog-A-Thon. Wear layers of clothes, including shorts, sneakers and t-shirts so they can remove a layer if it is warm out. The School Nurse and the select volunteers will be watching the children for signs of overheating, which include:

- Cramps and spasms of the legs and stomach
- Hot, red, dry skin without any sweating
- Rapid pulse
- Headache
- Nausea and vomiting
- Fainting

If a child shows any of these symptoms, the first aid volunteers will assess them. They will receive credit for one lap during this assessment. If a child vomits, even if it may be because they ate too many oranges, or drank too much water, they will be held out from further participation.

If your child has asthma, or related breathing problems and you wish your child to participate, please be sure there is an inhaler in the nurse's office, and a signed note from the doctor in our records.

IF FOR ANY REASON YOU DO NOT WANT YOUR CHILD TO PARTICIPATE IN THE JOG-A-THON.....

If for any reason, you do not wish your child to participate in the jogging/walking portion of the event, please indicate below, sign, and return to your child's classroom. Those students not participating in the Jog-A-Thon will remain at school with a designated staff member or we may include them as helpers or cheerleaders.

My child _____ will not participate in the running/walking portions of Monster Dash Jog-A-Thon on November 9, 2021.
